

Alfredo Navarro

Estimator / Project Manager

BIO

Alfredo started his career in demolition as a field laborer where he ascended through the ranks, rising to one of the senior demolition Project Manager / Estimators. He began in the demolition industry in 2000, and since 2008 has been dedicated to estimating and managing a diverse portfolio of projects, ranging from simple tenant improvements to multi-million dollar structural and seismic hard demolition renovations. Alfredo's attention to detail, past experience, and forward-thinking are key attributes that add value to any project. He is committed to safe-work practices while also understanding that efficiencies drive economics, and he strives to offer the best price without sacrificing performance.
