

Nick Overstreet

Estimator / Project Manager

BIO

Prior to joining Bayview, Nick was a member of IUOE Stationary Engineers and worked for the Contra Costa Water District as an inspector. There he conducted quality sampling in compliance with the district service regulations, as well as state and local laws. Nick earned his Bachelor of Applied Science degree in Animation & Visual Effects from Ex'Pression College of Digital Arts in 2005. His background is diverse, which allows him to have a strategic approach in his estimating and project management skills. In 2018, Nick joined Bayview in the Northern California region. He has estimated and managed projects ranging from thousands to hundreds of thousands of dollars. Nick is dedicated to ensuring client satisfaction as well as actively seeking new business and customer relationships.
