

Wayne Pelletier

Hazardous Material Services Division Director

BIO

Wayne joined Bayview in 2007 to assist in the expansion of the environmental service lines and to augment the growing infrastructure with previous project and work experiences. Wayne is a graduate of Quinnipiac University of Hamden, Connecticut, with a degree in Marketing and Business Development.

Wayne started his environmental service career in New York before relocating to the West Coast and working in California since 1996. Prior to Bayview, Wayne worked with firms as a Project Manager, Estimator, General Manager, and Division Head. His background in hazardous materials remediation, trauma scene management, industrial cleaning, and emergency response services has assisted Bayview in the growth of environmental service lines and its client base expansion.

Wayne holds numerous training endorsements including Train the Trainer for HAZWOPER and many other sub categories related to the Environmental Service Industry.
